## Tamil MP makes serious accusations to Kohona

TNA leader R. Sampanthan who walked up to Foreign Secretary Palitha Kohona at the recent Turkish National Day celebrations at a five star hotel in Colombo accused the armed forces of trying to eliminate the Tamil community in the country.

Well informed sources said that Sampanthan at a recent meeting with visiting British Foreign Secretary and French Foreign Minister alleged indiscriminate attacks by the Sri Lankan army and mass scale killing of civilians and rape of women held at the IDP centres run by the military.

Sources said that UNP leader Ranil Wickremesinghe, too, had been present at this occasion.
